

“Service Above Self” is Bob Cook’s Middle Name!

Today, June 25th, we pay tribute to Bob Cook, a long time friend of Tahoe Douglas Rotary and a good friend to many of our Members. Bob was about as proactive within the Tahoe / Carson Valley Community as anyone could be. While he was a voice on a number of local and area Boards he also rolled up his sleeves and got into it. Whatever it took to get the job done. An outcome of his youth and his time in Vietnam in the US Army. From Firefighter to Community Leader - Bob passed last winter. While his spirit lives on he will continue to be missed.
